OBJECTIVE

I am actively looking for employment as a Front-End Developer or Software Development Intern at any startup company that will allow remote work. My primary goal in life is to learn enough about development to become a Full Stack Developer/Engineer with hopes to add Go to my arsenal of skills and advance my skills in JavaScript and various JavaScript-based frameworks (e.g., AngularJS, ReactJS). You can view a more organized and aesthetically pleasing version of this resume at <http://stephensanders.me/academic/>.

EXPERIENCE

Parkplots, LLC Remote Work May 2016 - September 2016

Junior Software Developer

- Developed software with the aim to simplify the process of locating a parking spot and help reduce traffic problems related to overflow parking.
- Primarily worked in front-end development while also helping with developing the backend.

Omicron Interactive Remote Work

May 2016 - Present

Lead Developer

- Primarily involved with designing, developing, and testing various web and application-based projects for a multitude of clients.
- I also assist in systems management of the company's systems, lead generation, and business management.

SUNY College at Brockport Brockport, New York June 2016 - July 2016

Web Developer

- Primarily worked on implementing new features for the campus map using the Google Maps API.
- Assisted with the migration of the previous website's content to the new website's server.
- Additional information can be found here: https://www.brockport.edu/support/web_team.

pollBox, Inc. Remote Work August 2016 - Present

Co-Founder/CTO

- Gives millennials the platform to showcase their skills without competition from older generations.
- In charge of development of both the mobile apps and web application.
- More information can be found here: <http://pollboxapp.com>.
- *Currently on hiatus.*

EDUCATION

Brockport High School Brockport, New York September 2010 - June 2014

Diploma with Advanced Designation, GPA 3.7

Honors:

- Spanish IV Award - Spring 2013
- Earned either High Honor Roll or Excelsior Honor Roll every single quarter.
- Scholar Athlete Award - Fall 2013
- Honorable Mention All-County - Fall 2012 (volleyball), Fall 2013 (volleyball)
- Second Team All-County - Spring 2014 (baseball)

SUNY Fredonia Fredonia, New York August 2014 - May 2016

Studied Computer Science and Philosophy, GPA 2.81

SKILLS

- HTML5/CSS3 (Bootstrap, Sass)
- JavaScript (AngularJS, Node.js, Socket.io, Knockout.js, TypeScript, jQuery, npm, JSHint)
- LAMP (PHP)
- Python (Django)
- Linux Administration (Shell programing, C programming)
- Databases (MySQL, PostgreSQL, Redis)
- Git (GitHub)
- Docker
- NGINX
- Ubuntu Server
- Microsoft Azure
- Jira
- RESTful APIs (most experience with the Google Maps API)

LANGUAGES

English - Native Proficiency
Spanish - Advanced Proficiency
German - Basic Proficiency

INTERESTS

Software Development
Web Development
Systems Programming
Philosophy (Epistemology, Normative Ethics, European philosophy)
Writing
Sports (baseball, volleyball, American football)
Music (Alternative, Indie, Pop-Punk, Electronica; Cello - 11 years)
